About the host-institutes

संस्कृत भाषा प्रचारिणी सभा, नागपूर **Sanskrit Bhasha Pracharini Sabha, Nagpur**

This Association was established in the year 1950, by Sanskrit scholars of Vidarbha with a view to promote and spread the classical Indian language Sanskrit among the students and masses through various academic and cultural activities. Accordingly this duly registered Trust conducts regular language classes, as well as certain special lectures, seminars and workshops on classical Sanskrit literature relevant to current academics. Other co-activities include Publications of student-oriented Sanskrit books as well as Sanskrit weekly Bhavitavyam, Prajna-Bharati Library service, staging of Sanskrit dramas, arranging expert-lectures, conducting outreach programs, providing translation and guidance services for the Sanskrit texts, highlighting the importance of the classical Sanskrit texts pertaining to science and technology, exams and certificate courses on various topics belonging to Sanskrit Studies including Indian Knowledge System etc. The present Conference is organised to mark the 75th anniversary of this Sabha.

Visvesvaraya National Institute of Technology (VNIT), Nagpur

Visvesvaraya National Institute of Technology (VNIT), Nagpur, established in 1960 is one of the esteemed institutes among the thirty one National Institutes of Technology in India. It was named after Bharat Ratna Sir Mokshagundam Visvesvaraya an eminent engineer, planner and statesman of the country. The Institute has highly qualified faculty in various departments. VNIT offers B.Tech degrees in eight disciplines, a B.Arch, and M.Tech degrees in twenty disciplines. The Institute also offers master's programmes in M.Sc (Mathematics, Chemistry and Physics) and doctoral research programs in Engineering, Architecture, Sciences and Humanities disciplines. The Institute has collaborated with various reputed research/academic organizations. The distance of the campus from Nagpur Airport / Railway Station is approximately 6 kms.

Humanities and Social Sciences is a distinguished academic Department of Visvesvaraya National Institute of Technology, Nagpur. The Department is a hub of diverse academic offerings, including courses in English, Sanskrit, German, Pali, Psychology, Sociology and Economics for both undergraduate and postgraduate students. The courses aim at providing the students with holistic education equipping them with well-rounded set of abilities like critical thinking, problem-solving, communication skills along with giving them scope for having a unique perspective on economic growth and development, GDP, finance management, HRM techniques, work stress and professional ethics.

The Department helps students in having a deeper understanding and working of human society, culture, mind and behavior. It provides insights about the social structures and its dynamics and the working of economy and financial systems thereby enriching the students with interdisciplinary perspectives, creativity and innovation which can inspire pioneering solutions in their disciplines and discourses.

The Department of Humanities and Social Sciences always looks forward to organize social awareness programmes like lectures, seminars, workshops, conferences, research studies on various social issues which help in better understanding of the problems and developing evidence based solutions. The Department also engages in various community outreach programs to raise awareness on social issues and work together with the local organizations and NGOs.
